Bidyut Chakraborty

1981 Metallurgy

Dear Friends,

Bidyut is now allowed to go home. He is at his residence at Chandannagar since last 23rd Aug 2013. He is advised for rest for some more time. You may directly contact (Mobile: 9830039222) him to enquire about his health/ recovery and convey best wishes for speedy recovery.

I sincerely thanks to all those friends who rose to occasion to contribute at the time of need. I feel really lucky to experience such overwhelming spontaneous response from members of BECA1981 and happy to declare that you have generated a fund of Rs 4.11 Lac. A detail list is attached herewith for your information.

I also apologize to those friends who could not respond due to communication delay /non delivery of email etc. I am sure they will come forward first in future if such need arises.

I proposed to close this fund raising activity on 15th August, 2013 but could not as large numbers of friends were committing to contribute.

Now it is time to declare the closure of this fund raising activity towards supporting Medical Treatment of Bidyut. In case any one does not want to be left out from the attached list may please deposit directly to our a/c i.e. BECA1981 and inform me the details of your contribution.
