Members Present : Sri Soumitra Banerjee, Sri Soumitra Sinha, Sri Sushanta K Roy ,  
Sri Partha Bramha, Sri Sukanta De Roy, Sri Subrata Kapat, Sri Tamal Bhattacharya,  
Sri Pinaki Nag, Sri Santanu Bhattacharya and Sri Alope R Bhunia

01. In the meeting with VC, BESU, he emphasises need of continuing Green Energy & Sensor System Unit for which he prefers to engage 2 professors one being Prof Hironmoy Saha and the other Dr Shantipada Gan Chowdhury, (Electrical), Ex Chairman of West Bengal Renewable Energy Development Agency if we extend Rs 15000/- per month to each of them for a period of two years. Our amount will be used to top up available amount of Rs15000/- from BESU. Hence our total expenditure would be twenty four times Rs.30000/- i.e Rs.7, 20,000/-for two years. While we informed the two names we preliminarily identified he informed us that Dr Ashok Mallick, (Mechanical), recently retired from IIT.Kanpur has already been with BESU. The members present unanimously agreed to the proposal of VC.

02. The name of the Chair Professor was discussed and the name as “BECA 1981 Chair Professor” has been finalised by the members presents.

03. It has agreed that fund will be released on quarterly basis to Registrar ,BESU, Shibpur as the beneficiary.

04. It has been further discussed and finalised that we will use our fund as available with GABESU first and thereafter fund will be disbursed from the bank a/c of BECA1981.

05. VC ,BESU informed us that that a letter to Registrar ,BESU indicating our willingness to provide two chairs is needed which we agreed to send soon.

06. It has been discussed that since we are yet to receive any proposal for Tower Clock Project and further our fund requirement for two chair professors has increased, we will not push forward Tower Clock renovation/beautification project this year.

07. We again enjoyed the warm togetherness, pulled a few legs as usual while cherishing our golden old days and left the campus at 7.15 pm.
